Ultimate Safaris is privileged to be operating in some of the most pristine and delicate wilderness areas on earth. We are dedicated to the protection and conservation of these areas and to the improvement of the quality of life of the rural communities who are living in, or border on, these pristine areas. We believe that the future of these areas lies in the hands of these communities, giving them a pivotal role in the custodianship of these areas.

With this in mind, we have launched the Conservation Travel Foundation, in support of such ideals. The Foundation is a legally registered non-profit entity and is governed by a board of trustees. Ultimate Safaris contributes a percentage of all our revenue towards the foundation and it is spent on Foundation-approved projects. In effect this means that you as the visitor, jointly with Ultimate Safaris, will be giving tangible assistance to the African people and their environment in their efforts to achieve economic viability without doing harm to natural habitats and wildlife, so as to utilize both on a sustainable basis for the benefit and enjoyment of future generations.

If you wish to make an additional donation to the Foundation, please complete this form and enclose it with your payment, payable to the Foundation: Mail to: Conservation Travel Foundation, PO Box 9970, Windhoek, Namibia; Fax to: +264 61 238 707.
