

31 December 2022

To all supporters, donors and partners,

**RE: 2022 Impact of the Conservation Travel Foundation**

This letter serves to confirm that the Conservation Travel Foundation supported conservation and community development in Namibia to the value of over USD 200 000 – 00, in year where tourism has started bounce, we hope to improve this. We would like to note that the following donations are ones that were facilitated or created through the Foundation but the donations went directly to the establishment involved:

- AfriCat Foundation – USD 10 000
- North West Giraffe Tagging USD 20 000

Please do not hesitate to contact us if you require any further information or clarification.

Yours faithfully,

Mr. Jason Nott  
Foundation Coordinator
