

31 December 2021

To all supporters, donors and partners,

RE: 2020 & 2021 Impact of the Conservation Travel Foundation

This letter serves to confirm that the Conservation Travel Foundation supported conservation and community development in Namibia to the value of over USD 1 000 000 – 00, which is to date the greatest impact the Foundation has had over a two year period. We would like to note that the following donations are ones that were facilitated or created through the Foundation but the donations went directly to the establishment involved:

- AfriCat Foundation – USD 10 000
- Doro Nawas Conservancy Giraffe Translocation USD 55 000
- //Huab Conservancy Giraffe Translocation USD 40 000
- North West Giraffe Tagging USD 8 000

Please do not hesitate to contact us if you require any further information or clarification.

Yours faithfully,

Mr. Jason Nott
Foundation Coordinator
Conservation Travel Foundation
