To all supporters, donors and partners,

**RE: 2023 Impact of the Conservation Travel Foundation**

This letter serves to confirm that the Conservation Travel Foundation supported conservation and community development in Namibia to the value of over USD 450 000 – 00, feeling the impact of tourism and conservation travelers, this is where would like to see the impact value. We would like to note that the following donations are ones that were facilitated or created through the Foundation but the donations went directly to the establishment involved:

- Tsiseb Solar Plant – USD 100 000
- IRDNC Rapid Response Team USD 43 000
- AfriCat Foundation – USD 35 000
- Namibia Lion Trust – USD 27 000
- TOSCO Lion Rangers – USD 14 000

Please do not hesitate to contact us if you require any further information or clarification.

Yours faithfully,

Mr. Jason Nott  
Foundation Coordinator
